1														<p>Notes on Pools All Pools are Sectional therefore you are only competing against other fanciers in your RPRA Region. Please mark all pools with an 'X' Pools A-D are <u>standard</u> pools paying out at 8:1 where multiple pigeons can be pooled. Pool E is a £5 <u>Single Nomination</u> pool. Pool F is a 'winner-take-all' <u>two-bird average</u> pool that requires specific pigeons to be selected. In this way you are selecting and matching your two best pigeons against every other competitors' best two pigeons. The pool costs £5 but you can 'perm' more than two pigeons by paying for additional doubles i.e 3 birds would be £15; 4 birds would be £30; 5 birds would be £50; 6 would be £75. Pool G is another 'winner-take-all' <u>two-bird average</u> pool that automatically enters ALL your pigeons and where your first two timed pigeons count. All for a payment of just £5. Please carefully complete the pigeons and pools entry/cost table to the right-hand side of this form, and complete the total cost payable at the marking station.</p>
