

2010 Tarbes Early-Closing Nomination Entries

"GEORGIE GIRL", GB2007P31877 Chq Hen nominated by T Roebuck & Son

MY NOMINATED PIGEON GEORGIE GIRL IS A 3YO BUSSCHAERT X VAN REET, THIS HEN IS AN HONEST TRYER AND EVERY TIME SHE COMES FROM A CHANNEL RACE SHE SHOWS NO STRESS AT ALL AND LOOKS LIKE SHE HAS A LOT MORE TO GIVE SO THATS WHY WE HAVE NOMINATED HER FOR THIS RACE, THE BREEDING OF THIS HEN COMES FROM OUR OLD BUSSCHAERTS THAT MY DAD GOT IN 1986 DIRECT FROM BILLY PARKS IN IRELAND AND THE OTHER BUSSCHAERTS DIRECT FROM BILL JOHNSON THORNTON HEATH LONDON AND WE CROSSED THEM TOGETHER AND THEY ARE THE BACKBONE OF OUR LOFT. THE VAN REET SIDE OF HER COMES FROM RONNEY VAN REET, THIS HEN FLEW SAINTES LAST YEAR 534 MILES ON THE DAY WITH THE NFC, AND THIS YEAR SHE WENT TO ST MALO WITH THE NFC AND WAS MY SECOND BIRD BACK FLYING 339 MILES IN 9 HOURS. I WOULD LIKE TO OFFER MY BEST WISHES AND GOOD LUCK TO ALL THE MEMBERS WHO HAVE NOMINATED THEIR PIGEONS FOR THIS RACE.

GB2008N02070 Chq Cock nominated by Chris Nelmes

1st club only bird on the day Marmande 494 miles 12th WESR Combine only 12 on the day "02070" was 14 hrs 59 mins on the wing 2009. He was 207th Open NFC St Malo 8809b on 22nd May 2010 and was my first bird at NFC Messac 5th June 2010. His sire is GB01N46697 67th Open San Sebastian BBC. 8th Open NFC Dax, 146th Open Nantes BBC etc. He was bred & raced by Brian Sheppard of Trowbridge. He is sire of Brian's 1st Sect G, NFC, YB National 2002. He is also sire of my 2009 1st Vire YB. Sire of "46697" is GB98C40839 bred from 2 Fear Bros. birds - one being their NFC Merit Winner. The dam of "46697" is a grand-daughter of Brian's "JINGLES" an NFC Merit Winner. The dam of "02070" is off the late Keith Nethercott's No.1 pair i.e. a son of "Culmer Channel Queen" NFC Merit Winner for Mr & Mrs Cannon when paired to a daughter of Keith's 2nd Open Pau Cock - winning a new car. The 2nd Open Pau Cock is also sire of my no.1 stock cock "FRETTS". "FRETTS" is sire of my 2007 & 2008 NFC bird average winners when paired to 2 different hens. As can be seen "02070" is bred for the job - Let's see if he can do it.
