Auctioneer's forward:-

Rick te Morsche is an up-and-coming name in Dutch long distance racing, exemplified by the fact that he was 4th National Champion Marathon NPO in 2021, and clearly has a long future ahead of him. He was quick to identify and source some of the very best long distance lines, and in this sale you will see the influences of

fanciers of the quality of Arjan Beens, Jelle Jellema, Pieter Veenstra, Tim Hage, Benny Steveninck, C&G Koopman, Ulrich Lemmens, Verweij de Haan, Jan Morsink, Comb. Vromans, Jan Willems, etc.

**Please note**, one of the biggest UK winners of 2022, that of **Hardy & Wilson** from the Lerwick race, was bred from a hen of Rick's purchased from a previous sale on PBO for Rick, so he breeds birds that breed winners alright ... and Arthur Hardy testifies that "the Dam of our winner comes from pigeons I purchased from Rick te Morsche 'The 864' and 'Inbred Romee' [sired by QUINTANA] who purchased his original Jellema pigeons from Jan Morsink and that carry all of Jellema's top bloodlines, Zwart Goud, Saffier, Romee, Blauwe Benno, Jill, New Jade 1 and New Jade 2 both from New Laureaat and Kleine Jade."

Here are a few Jelle Jellema breeders linked to the birds on sale from Rick:-
